

Men's & Ladies Analog Talking Watches

Thank you for ordering the Analog Talking Watch from Maxi-Aids. If you have received your Analog Talking Watch and it does not speak your Analog Talking Watch is in the Sleep Mode. Please do the following to turn on or off the Sleep Mode Feature.

How to turn off the Sleep Mode

Press and hold the (S1) Talk Button for 3 Seconds and you will hear a beep. Press the Talk Button again and the watch will announce the time.

How to turn on the Sleep Mode

Press and hold the (S1) Talk button for 5 Seconds and you will hear a beep. Press the Talk Button again and the Watch will not talk.
